

# Special Situations Advisory Services

We provide expert advice and support in various areas, including:

- Corporate restructuring
- Bankruptcy and insolvency
- Crisis management
- Litigation support
- Operational turnaround

Our team offers innovative solutions to businesses facing financial challenges. We understand the complexities of special situations and provide tailored strategies to help clients navigate a path to recovery.

We have a proven track record of success, with a dedicated team of experienced professionals who are committed to delivering exceptional results. Whether it's helping a company restructure its operations, guiding them through bankruptcy proceedings, or providing strategic advice during a crisis, we are here to support our clients every step of the way.

In addition to our advisory services, we also offer ongoing support and assistance to help businesses implement the recommended strategies and achieve their goals. Our comprehensive approach ensures that our clients receive the guidance and support they need to overcome challenges and thrive in today's dynamic business environment.

With our expertise and passion for helping businesses succeed, we are confident in our ability to make a positive impact on our clients' financial health and long-term success.

# Distressed M&A

Distressed M&A refers to the sale or purchase of a company experiencing financial difficulties. This can be a challenging and complex process, but our team has the expertise needed to help clients navigate these transactions.

We start by evaluating the distressed assets and identifying potential buyers. Our team has extensive experience in finding the right buyers for these types of assets and negotiating the sale terms to ensure that clients receive the best possible outcome.

In addition to our transactional expertise, we also provide support and guidance throughout the sale process. We work closely with clients to understand their unique needs and goals, and provide tailored solutions to help them achieve their objectives.

“Our team is here to guide you through the entire process, from start to finish, and ensure that you achieve the best possible outcome.”

Our team is committed to helping clients navigate the choppy waters of distressed M&A transactions and get the most out of these unique opportunities. With our expertise and dedication to client success, we are confident in our ability to deliver exceptional results.

# Corporate Restructuring

## Identify Underperforming Areas

Our team works closely with clients to identify areas of underperformance, such as inefficient processes or high costs. This includes analyzing financial statements, market trends, and customer feedback. Once we have identified the areas of underperformance, we develop strategies to address these issues and improve overall performance.

## Refinance and Restructure Debt

In addition to identifying areas of underperformance, we also help clients reorganize their balance sheet, refinance their current debt facility, and access new financing. This can help improve cash flow and reduce the burden of debt on the company. Our team has extensive experience in working with lenders and investors to secure the best possible financing terms for our clients.

## Management Support

We understand that corporate restructuring can be a complex and challenging process, which is why we offer management support to assist our clients every step of the way. Our team can provide guidance on implementing new policies and procedures, and help clients make informed decisions during the restructuring process. We work closely with management teams to ensure that they have the resources and support they need to successfully navigate the restructuring process.

## Our Process

Our corporate restructuring process is designed to help our clients achieve their goals and improve their overall performance. Our process typically includes the following steps:

- 1. Assessment:** We work closely with clients to assess their current financial situation and identify areas of underperformance.
- 2. Strategy Development:** Based on our assessment, we develop customized strategies to address the areas of underperformance and improve overall performance.
- 3. Implementation:** We work with clients to implement the strategies, including refinancing debt, reorganizing the balance sheet, and implementing new policies and procedures.
- 4. Monitoring:** We monitor the results of the restructuring process and provide ongoing support to ensure that clients are achieving their goals.

## Our Benefits

Our corporate restructuring services offer a number of benefits to our clients, including:

### 1 Improved Financial Performance

Our customized strategies are designed to help clients improve their financial performance and achieve their goals.

### 2 Reduced Debt Burden

We help clients refinance debt and reorganize their balance sheet to reduce the burden of debt on the company.

### 3 Management Support

We provide management support to assist clients every step of the way during the restructuring process.

### 4 Improved Efficiency

We help identify and address areas of underperformance, such as inefficient processes or high costs, to improve overall efficiency.

### 5 Access to Financing

Our team has extensive experience in working with lenders and investors to secure the best possible financing terms for our clients.

# Bankruptcy and Insolvency

At our firm, we understand that bankruptcy and insolvency are complex and difficult issues to navigate. Our team has extensive experience in helping clients successfully navigate these challenges and emerge stronger on the other side.

## Bankruptcy

When a company files for bankruptcy, it can be a stressful and uncertain time for everyone involved. However, there are several key benefits to filing for bankruptcy that clients should be aware of.

### Key Benefits of Bankruptcy

- **Protection from Creditors:** Filing for bankruptcy can put an immediate stop to creditor harassment and help protect a company's assets from seizure.
- **Elimination of Debts:** Bankruptcy can provide a way for companies to eliminate their debts and start fresh.
- **Opportunity to Restructure Business:** Bankruptcy can provide a company with the opportunity to restructure its business and emerge stronger and more competitive than ever before.

Our team can provide guidance on the bankruptcy process and help clients develop a plan to exit bankruptcy successfully. We can also help clients negotiate with creditors and reorganize their businesses to maximize their chances of success.

## Insolvency

Insolvency can be a difficult issue for companies to face, and can lead to serious consequences if not addressed quickly and effectively.

### Dangers of Insolvency

- **Inability to Access Credit:** Insolvency can make it difficult for companies to access the credit they need to stay afloat.
- **Damage to Reputation:** Insolvency can damage a company's reputation and make it more difficult to attract new customers or investors.
- **Loss of Control:** Insolvency can lead to a loss of control over a company's operations and financial affairs.

Our team has extensive experience in helping clients navigate the challenges of insolvency, and can work with clients to develop a plan to address their financial difficulties and emerge stronger on the other side.

#### Chapter 7 Bankruptcy

Chapter 7 bankruptcy is a liquidation bankruptcy that can help a company eliminate its debts and start fresh. Our team can provide guidance on the Chapter 7 bankruptcy process and help clients develop a plan to exit bankruptcy successfully.

#### Chapter 11 Bankruptcy

Chapter 11 bankruptcy is a reorganization bankruptcy that can help a company restructure its business and emerge stronger and more competitive than ever before. Our team can provide guidance on the Chapter 11 bankruptcy process and help clients negotiate with creditors and develop a plan to exit bankruptcy successfully.

# Crisis Management

Our team is here to help you manage a crisis situation, providing you with the immediate support, advice, and guidance you need to navigate through difficult times. We work with clients to develop detailed crisis management plans, taking into account the unique requirements of their organisation and ensuring that they are well-prepared to deal with any potential risks or threats to their business.

## Our Services

Our team of experts offers a range of services to help you manage a crisis situation:

### 1 Prevent and Mitigate Risks

We can help you identify potential risks to your business and put mitigation strategies in place to minimise their impact. By taking a proactive approach, we can help you avoid crisis situations before they occur.

### 2 Develop Crisis Response Plans

Our team can work with you to develop and implement crisis response plans that are tailored to meet the unique needs of your organisation. We'll help you identify the key stakeholders and develop effective communication strategies to ensure that everyone is well-informed and prepared to respond in the event of a crisis.

### 3 Crisis Communications

We understand the importance of effective crisis communication. That's why we can help you develop and implement an effective crisis communication strategy, ensuring that you have the right messages, at the right times, and reaching the right stakeholders. Our team can also help you manage media relations and ensure that your organisation's reputation remains intact.

Our team is available 24/7 to provide support, guidance, and advice in case of emergency. Contact us today to learn more about our crisis management services.

# Litigation Support and Forensics

Our team provides comprehensive litigation support services, including forensic accounting, fraud investigations, and expert witness testimony. We have extensive experience in working with clients to help them navigate complex legal disputes, and can provide expert advice and support throughout the litigation process.

## Our Services

Our team offers a range of services to help you with your legal dispute:

### 1 Expert Testimony

Our team provides expert testimony and analysis in legal disputes to help clients achieve a successful resolution. We have experience in providing testimony in court, arbitration, and mediation, and can help you prepare for any scenario.

### 2 Forensic Accounting

We provide forensic accounting services tailored to meet your requirements, from identifying fraudulent activity to asset tracing. Our team has experience in working with clients across a range of industries, and can help you uncover any financial irregularities that may be relevant to your case.

### 3 Advanced Analytics

We utilise advanced analytics tools to uncover patterns of behaviour and anomalous transactions which can assist in legal proceedings. Our team has experience in working with clients to identify trends and anomalies in large datasets, and can provide valuable insights to help you build a stronger case.

Our team is available to provide support and advice throughout the litigation process, and can help you understand the financial issues at hand and provide valuable evidence to support your position. Contact us today to learn more about our litigation support and forensic accounting services.

# Operational Turnaround

Our team provides a range of services to help our clients recover from operational challenges and improve their business. We understand that operational difficulties can be complex and multifaceted, which is why our team assesses operational challenges from multiple angles and identifies areas for improvement. We work closely with clients to develop and implement strategies that address the root causes of operational difficulties and increase the performance of their business.

## Our Services

Our team offers a range of services to help you with your operational challenges:

### 1 Operational Assessment

We undertake a thorough assessment of your business operations and identify areas of required improvement. Our team works with you to understand your unique business challenges and develop tailored recommendations for improvement.

### 2 Develop and Implement Strategies

We develop a tailored strategy for improvement, that addresses the operational challenges and improves the performance of your business. Our team uses a data-driven approach to develop solutions that are practical, effective and sustainable, and works with you to implement them.

### 3 Monitoring and Evaluation

Results are closely monitored against predetermined targets. Our team works with you to evaluate the effectiveness of the implemented strategy and make any necessary changes to ensure continued progress and success of your business.

# Capital Raising in Distressed Situations

Our team specializes in helping companies that are facing financial distress and need additional capital to rebuild and restructure their business. We have a track record of success in assisting our clients with equity, debt, and hybrid capital raising strategies. Our team has deep industry knowledge and extensive relationships with strategic and financial investors, which allows us to provide tailored solutions that meet the unique needs of our clients.

## Our Services

We offer a range of services to help our clients raise capital in distressed situations:

### 1 Equity Finance

We assist companies in raising equity to finance their business operations. Our team has extensive relationships with strategic and financial investors, which allows us to identify potential equity partners that are a good fit for our clients' business.

### 2 Debt Finance

We offer tailored debt financing solutions for companies in a variety of industries. Our team has deep expertise in structuring debt financing that meets the unique needs of our clients, and we work closely with lenders to negotiate favorable terms.

### 3 Hybrid Finance

We provide hybrid financing solutions that have elements of both equity and debt financing. Our team has experience in structuring hybrid financing that meets the unique needs of our clients and helps them achieve their long-term goals.

### 4 Strategic Partnerships

We help our clients identify and negotiate strategic partnerships that can provide access to additional resources and expertise to help grow their business. Our team has extensive industry knowledge and relationships with potential partners, which allows us to identify and negotiate favorable partnerships for our clients.

If you're facing financial distress and need additional capital to rebuild and restructure your business, our team can help. Contact us today to learn more about our capital raising services.

# Troubled Debt Restructuring

Our firm offers debt restructuring services to help companies facing financial difficulties. We understand that every situation is unique, and we work closely with our clients to develop a customized plan that meets their needs and goals. Our team has extensive experience working with creditors to negotiate favorable terms and achieve the best possible outcome for our clients.

## Our Approach

Our approach to debt restructuring involves a comprehensive evaluation of a company's financial situation, including an analysis of their debt obligations and cash flow. We work with our clients to develop a restructuring plan that addresses their specific needs and goals, and we provide ongoing guidance and support throughout the process.

### Debt Evaluation

We analyze a company's debt obligations to determine the best path forward for debt restructuring. This includes a review of existing debt agreements, as well as an assessment of the company's ability to service their debt obligations.

### Restructuring Plan

We develop a comprehensive restructuring plan that addresses a company's unique needs and goals. This may include renegotiating debt terms, extending payment schedules, or exploring alternative financing options.

### Creditor Negotiations

Our team works with creditors to negotiate favorable terms and achieve the best outcome for our clients. We have experience working with a wide range of creditors, including banks, bondholders, and other financial institutions.

## Our Services

We offer a range of services to help companies navigate the debt restructuring process:

#### 1 Restructuring Advisory

We provide guidance and support throughout the debt restructuring process, from initial planning to execution.

#### 2 Debt Refinancing

We help companies explore alternative financing options, such as new debt facilities or equity financing.

#### 3 Operational Restructuring

We work with companies to identify and implement operational improvements that can improve their financial position and support debt restructuring efforts.

# Stakeholder Negotiations

At our firm, we specialize in assisting clients with difficult negotiations with key stakeholders, including lenders, creditors, and shareholders. Our team has extensive experience in negotiations related to capital raising, mergers and acquisitions, debt restructurings, and other corporate transactions. We work collaboratively with all parties involved to help our clients achieve their desired outcomes.

## Our Approach

Our approach to stakeholder negotiations is based on collaboration, communication, and a focus on mutual interests. We believe that successful negotiations require a deep understanding of the interests and concerns of all parties involved, and we work diligently to ensure that everyone's needs are met.

### Collaboration

We work collaboratively with stakeholders to ensure that everyone's interests are aligned and the most optimal outcome is reached. This includes facilitating dialogue between different parties, identifying areas of common ground, and developing creative solutions that meet everyone's needs.

### Communication

Effective communication is critical to successful stakeholder negotiations. Our team is skilled at facilitating a peaceful and well-orchestrated dialogue between different parties to reach a successful agreement. We prioritize transparency and openness throughout the negotiation process to build trust and ensure that everyone is on the same page.

### Mutual Interests

We believe that successful stakeholder negotiations require a focus on mutual interests. We work with our clients to identify their key objectives and develop negotiation strategies that are aligned with those objectives. By focusing on areas of mutual interest, we help all parties involved to achieve their goals and reach a successful outcome.

## Our Services

We offer a range of services to help clients navigate stakeholder negotiations:

### 1 Negotiation Strategy

We work with clients to develop negotiation strategies that are aligned with their objectives and priorities.

### 2 Stakeholder Analysis

We conduct a thorough analysis of all stakeholders involved in the negotiation process to identify their interests, concerns, and priorities.

### 3 Communication and Facilitation

We facilitate dialogue between different parties and prioritize open and transparent communication throughout the negotiation process.

### 4 Creative Solutions

We develop creative solutions that meet the needs of all parties involved and help to achieve a successful outcome.

# Regulatory Compliance

Our firm specializes in regulatory compliance for companies. We help clients navigate complex regulatory requirements and provide them with the tools needed to comply with relevant laws. Our services include compliance assessments, employee training, policy and procedure development, and risk management. We are committed to helping our clients succeed by ensuring that they remain compliant with regulatory standards.

## Our Approach

Our approach to regulatory compliance is based on collaboration, communication, and a focus on best practices. We work closely with our clients to understand their unique needs and develop customized compliance strategies that are tailored to their specific situation. We prioritize ongoing communication and collaboration throughout the compliance process to ensure that our clients remain informed and engaged.

## Compliance Assessments

We conduct comprehensive compliance assessments to help our clients identify areas of risk and develop effective compliance strategies. Our assessments cover a wide range of regulatory requirements, including data privacy, anti-corruption, and environmental regulations.

## Employee Training

We provide customized employee training programs to help our clients educate their workforce on regulatory compliance requirements. Our training programs are designed to be engaging and relevant, and we use a variety of techniques to ensure that employees retain the information they need to remain compliant.

## Policy and Procedure Development

We work with our clients to develop policies and procedures that are tailored to their specific regulatory requirements. Our policies and procedures are designed to be practical and easy to implement, and we prioritize ongoing communication and collaboration with our clients to ensure that their policies and procedures remain up-to-date and effective.

## Risk Management

We help our clients identify and manage compliance risks to minimize the likelihood of regulatory violations. Our risk management services include risk assessments, risk mitigation strategies, and ongoing monitoring and reporting.

## Our Services

We offer a range of services to help clients navigate regulatory compliance:
